CINEREPLICAS UNVEILS THEIR SIGNATURE 2026 ADVENT CALENDARS

Cinereplicas introduces its 2026 Advent Calendar collection, presenting eight unique editions across seven leading global licenses. Structured in Classic and Hybrid formats with 24 custom gifts per unit, the lineup pairs product engineering with unique fan-first components.

Classic editions retain the traditional door-opening structure with internal compartments, anchored by their legacy license Harry Potter in a Marauder's Map design. Meanwhile, hybrid editions are elevated through unique box geometries, interactive features, and enhanced collectible appeal which delivers high shelf impact.

The 2026 Hybrid Edition lineup features Naruto with a fidget spinner-type mechanism, One Piece in a custom Chopper's hat silhouette, a Brawl Stars Mega Box design, and an official French Football Federation (FFF) in the shape of a jersey.

Key additions this year includes KPop Demon Hunters, offered in both classic format and hybrid edition with a 3D pop-up stage, and a special Astérix & Cléopâtre edition based on the classic French comic. Visit cinereplicas.pro for order information now!
