## THE HUNT BEGINS AS CINEREPLICAS LANDS K-POP DEMON HUNTERS OFFICIAL ITEMS

We are excited to introduce the first official KPop Demon Hunters merchandise collection from Cinereplicas, showcasing its vibrant pop-inspired style with neon accents and electric color palettes. This launch reflects our ongoing commitment to creating premium licensed products that celebrate today's most influential entertainment worlds.

This collaboration captures the kinetic energy and bold aesthetic of KPop Demon Hunters, transforming its futuristic theme into lifestyle products that feel fresh, modern, and made to stand out. Combining music and supernatural action, the collection brings the same pulse that Huntrix and Saja Boy deliver to fans. New products, such as the wristlet keychain, are designed to turn practical essentials into expressive statements.

With this launch, Cinereplicas is already preparing to expand the line even further with upcoming items such as tumblers, squishies, desk mats, bucket hats, tote bags, and many more. The expansion comes as KPop Demon Hunters continues its strong performance on Netflix, ranking as the No. 1 most-watched movie of all time on the platform, outperforming past global hits and setting a remarkable benchmark for animated features worldwide.
