THE LITTLE PRINCE CELESTIAL COLLECTION

We are thrilled to unveil our new, exclusive product line inspired by Antoine de Saint-Exupéry's *The Little Prince*. This meticulously curated collection is a tribute to the timeless wisdom of the stars and the heart. We invite you to begin your journey with our initial release: a whimsical series of pins, intricate iron-on patches, elegant chain bookmarks, and charming water bottles.

Drawing inspiration from the heartfelt journey of the Little Prince, each item in this collection tells a part of his story, serving as a tribute to iconic elements like his cherished rose and the wise fox. Adorn your favorite clothing with our durable metal pins, whose vibrant colors make a stylish statement, or personalize your belongings with our intricately embroidered iron-on patches. For reflective moments, our elegant, gold-toned bookmark chains act as fine jewelry for your cherished book.

The water bottles are available in a soft, dreamy color palette across four unique designs: the Little Prince stargazing, him reaching for the stars, his wildflower garden, and his rose. Browse the complete selection to view all available items at cinereplicas' website!
